# ADMINISTRATION

## PRINCIPAL'S MESSAGE

The term EDUCATION can have many meanings. To several students it means compulsory attendance in public school until they reach the age of sixteen. Other students grasp more readily the opportunity to attend school.

At Laurel "dropouts" are quite prevalent, and current statistics show that approximately fifty per cent of the eighth grade dropout before completion of high school. Students should acquire a love for an education, because education will prepare them for the future.

Trends change quite rapidly in our society today, and unless a student prepares himself for the future with a good education, tomorrow he may find himself lost in our society.

# CLASS POEM

JERRY RICE  
POET

Many years have come and gone.  
Now the Seniors are progressing on;  
The Seniors for a picture do pose  
As this school year comes to a close.  
After twelve grades of work and strife--  
"Not merely to exist but to amount to something in life."  
We shall now take a look and see  
What the future holds for the Seniors of 1966.

Raymond Cantrell has a souped up car;  
He outruns all patrolmen by miles far.  
Shad King owns a factory in Illinois;  
He manufactures many children's toys.  
Jerry Rice has a furniture plant of his own;  
He barely has time to answer the phone.  
Jerry Shelton is a great engineer;  
No tough job does he fear.  
Edd Tweed has a fishery out West;  
His mountain trout are among the best.  
Jerry Wallin is a great school teacher;  
He said "I do" in front of a preacher;  
This tied him for the rest of his life;  
He has two people to support, he and his wife.  
Randy Wallin is a general in the Navy;  
Eating cold soup beans and left over gravy.  
Eddie Williams is working at Magnavox;  
He says he's putting tubes in a box,  
His desire for each fall  
Is to go to school and call basketball.  
June Bullman and Barbara Cupp are styling hair;  
They only charge thirty-five dollars an hour.  
Donna Cutshall lives on a farm and never goes to town;  
She has three children following her around.  
Barbara Cantrell is a secretary; her fingers are sore,  
Since she writes to Russian soldiers, three or four.  
Jana Lu Cutshall and Doris Franklin have finally settled down;  
They and their loved ones live underground.  
Lovada Dixon has finally got a job;  
She helps pack tomatoes on Mato Knob.  
Judy Rice is married and settled down;  
She and her loved one live in Marshall town.  
Lorraine Roberts is married and lives way out west  
With so much work she gets very little rest.  
Patsy Gosnell and her husband live in Tennessee;  
They have five children as cute as they can be.  
Joyce Thomas is living in a trailer; she doesn't mind;  
There real happiness she does find.

As the Seniors of Laurel say good-bye,  
Some of us may even cry.  
For as we Seniors know we must go;  
We will have heartaches, troubles, and woes.

# CLASS HISTORY

JUDY RICE  
HISTORIAN

In the year 1963 the senior class of 1966 entered high school with thirty-eight eager freshmen. Our principal was Mr. Ray Tweed and our sponsor was Mrs. Rena Shelton. This year we lost Margie Boone, Harlon Chandler, Joe Gentry, Eugene Gosnell, Ronnie Gosnell, Dallas King, Joe Edward Norton, Joseph Norton, Maggie Norton, and Bonnie Lou Shelton. This year we enjoyed our class trip to Royal Pines.

We entered our sophomore year with thirty-two students. Our principal was Owen W. Fish and our sponsors, Mr. Sidney Harrison and Mr. Lamar Lunsford. We were proud to have gained Shad King and Edd Tweed, but we also lost Dallas Franklin, Granville Thomas, Louise Franklin, Carol Ann Gentry, Judy Hensley, Ruth Ann Hensley, Joan Johnson, Barbara King, Carolyn Luther, and Edmond Rice. We enjoyed our regular class trip to Lake Lure this year.

Juniors at last! There were twenty-two of us. This was a very exciting year. Our principal was Owen Fish and our sponsor was Louie Zimmerman. We worked very hard with the seniors making money for our Washington and New York trip. We could hardly believe our eyes when the bus finally rolled up at the school. We enjoyed our trip very much. "Remember the Paramount Hotel". We also enjoyed giving the Junior-Senior Banquet and the Junior Play.

Then at last we became what we had worked so hard for: Seniors of 1966. There were twenty of us. Our principal is Owen Fish and our sponsor is Mrs. Hettie Rice. Three of our classmates did not return this year. They are Kathryn Zimmerman, Gary Cook, and Brenda Landers. Vergie Ray left us during the year but we were very proud to gain Joyce C. Thomas. We enjoyed giving the Senior Play and are now looking forward to our Senior class trip to Chattanooga.

As our days at Laurel High are about over we wish to thank all the faculty members who have struggled with us and helped us. We will never forget.
